

Sonia Selvakumar - Personal Profile

About Me

My name is Sonia Selvakumar, and everyone calls me Soni. My favorite color is pink. I enjoy Gulab Jamun, Parotta, Veg Fried Rice, and cooking Prawn Biryani. I love ice cream, listening to melodious songs, especially classics from the 1990s, and spending time with family and friends. I currently live in Avadi, Chennai, and my native place is Arani, Vellore, Tamil Nadu.

Family

Father: Selvakumar

Education

B.Sc. Computer Science, Vel Tech College (2020–2023). First year was online due to COVID-19. Completed MCA through distance education from the University of Madras in 2025 while working.

School Memories

Completed 10th in CBSE and higher secondary in State Board. Learned adaptability and built lasting friendships, especially with Pavithra.

College Memories

Best friends include Darshini, Guna, and Manoj. Funny memories include bunking class for a movie and getting caught because the college informed my parents. I successfully completed all exams and learned valuable lessons from every experience.

Professional Experience

Currently working at Comcast for nearly three years. The journey has helped me grow professionally. My college best friend Darshini also works there, and I have supportive colleagues such as Gautami.
